ALL-SKILLS SESSIONS

The philosophy of the Pride of the Diamond ALL SKILLS- SOFTBALL CAMP is to assist young players in improving their softball skills while developing proper playing habits. Program emphasis will be on individual skills and fundamentals of the game. Well organized sessions will enable players to participate in all of the skill sets that occur on a softball field. Those areas include; outfield play, infield play, pitching, catching, base running, hitting and throwing. Players will be grouped by age and skill in order to ensure optimum individual and group instruction.

The Pride of the Diamond Instructional Day Camp will also include drills to help to correct the faults of a young player and enable them to learn the proper techniques to enhance their skills. Additionally, players will be placed on teams and instructed on team play. Players will also have the opportunity to participate in games each day while being coached by a staff member. The coaching staff's priority for the week will be to establish a learning environment while still having fun and continually promoting respect for the game and your opponents.

The Pride of the Diamond Instructional Day Camp is a staple in fundamental player development, sportsmanship, and pure enjoyment of the game.

- All Campers will receive a T-shirt.
- Fundamentals of Hitting Instruction
- Hitting Stations and Drills
- Fundamentals of Pitching Instruction
- Infield, Outfield, & Catching Stations
- Base Running and Games

PITCHING CAMP

Campers will be instructed on all of the physical and mental aspects of pitching. Campers will participate in stations and drills that will promote the proper pitching mechanics that are necessary for success. Players will also learn the proper grips, rotation and releases for various pitches.

HITTING CAMP

Campers will be instructed on all the physical and mental mechanics that are necessary to become a more improved hitter. This hitting camp is designed to teach players proper hitting mechanics. Coaches will emphasize proper grip, stance, balance, stride, swing mechanics and finish. Players' swings will be broken down and corrected through various drill work and batting practice

Campers will participate in daily stations and drills that are designed to promote the proper hitting mechanics for softball.

Players will also be taught bunting techniques for sacrifice situations, bunting for a base hit, slap bunting and suicide squeezes.
